

40E220U

LCD HDTV

TOSHIBA
Leading Innovation >>>

**STEP UP TO
A BETTER
BRAND OF
BIG SCREEN.**

The 40" E220U is an affordable, versatile LCD HDTV packed with key Toshiba technology for incredible picture quality in a large screen TV, plus the assurance of Toshiba quality and reliability.

Step up to Full HD, and full value for your dollar

When you see the clear, crisp, 1080p Full HD² resolution and deep colors on this TV, you'll wonder why you ever stood still for standard-def.

The Latest in TV Technology

Our new Dynamic Picture Mode creates the right amount of "pop," and lets you see more colors, finer details, less visual noise and brighter, realistic pictures. DynaLight[®] Dynamic Backlight Control uses advanced technology to monitor brightness and automatically adjusts backlight intensity.

Audyssey[®] Sound Enhancement

Dynamic EQ[®] technology is set automatically to improve sound quality through special algorithms, and Audyssey[®] Bass Extension uses sophisticated driver analysis and low-frequency monitoring to extend the range and bass.

Versatile Connectivity

Offering a full jack pack of connections, this TV makes it easy to plug in to other devices and broaden your entertainment options.

Gaming-Optimized Performance

It comes with a Gaming Mode that reduces frame delays between the display and controller.

1080P FULL HD

Top HD picture quality with 1080p Full HD² resolution.

DYNALIGHT[®]

Dynamic Backlight Control for deeper blacks and more detail.

HDMI[®] X2

Easily connect to high-definition video and amazingly immersive surround sound in one cable.

PC HIGH DEFINITION INPUT

Easily connect your PC to your TV for the big screen experience.

USB MEDIA

Easily connect to your favorite tunes and photos, create slideshows, or listen to your personal playlists with this feature.

AUDYSSEY
PREMIUM TELEVISION

For clear, well-balanced sound.
